USEFUL RESOURCE

A downloadable social story, written specifically for this event, is now available at <http://syracusestage.org/sensory-friendly.php>. We encourage you to take advantage of this tool to help your child become comfortable with this new experience. We also suggest involving your child's teacher and/or therapist in this process.

ARRIVAL AND PARKING

- For those who need assistance in dropping off family members or entering the theatre, volunteers in blue hats will be standing on the street ready to help.
- There is an **open lot across from the theatre** next to Phoebe's Garden Café: \$5 for Syracuse Stage patrons. Handicapped spaces available.
- An **enclosed parking garage on Irving Avenue** at the corner of Madison Street in the Madison-Irving Medical Building is available to patrons for \$4 (with a parking voucher purchased at the Box Office). The garage entrance is on Madison. **Three handicapped spots** are available in the parking garage on the basement level and **eight** on the next level up. There is an elevator in the garage. It is recommended that patrons using wheelchairs park on the basement level, as it is easier to exit onto Irving Avenue across the street from the theatre.
- **On-street parking** in the neighborhood is available but limited.

ACCESSIBILITY

- There is one elevator to the 2nd floor of the theatre. If you plan to use the elevator to access the theatre, please allow ample time to arrive and be seated.
- If you need any assistance, look for a volunteer in a blue T-shirt. It will be our pleasure to assist you!

PLEASE NOTE

While this production of *The Wizard of Oz* generally follows the plot of the 1939 movie of the same name, there are some changes.
